Dear Rob,

Please accept this letter as notice of my resignation from the position of Senior Developer at IG Group.

As per the terms of my employment contract, I will continue to work for the company for the next 2 months, completing my employment on 12th April 2019, although I am happy to provide some leniency on this.

This was truly a difficult decision. I have enjoyed been part of this awesome team and am extremely grateful of the opportunities I've been given.

Thank you.

Kind regards,

Ashley Hemingway
